

## MONSTER FIND-A-WORD: SAFARI

Keep an eye out for the words hidden in the grid which are found in straight lines up, down, forwards, backwards or even diagonally. Once they have all been spotted, you will be left with an Akan proverb from West Africa on which to ruminate.

- |                       |                  |                |                          |
|-----------------------|------------------|----------------|--------------------------|
